Scorecard key:

+ signifies a vote for the public interest

- signifies a vote against the public interest

"EA" stands for an excused absence. Excused missed votes do not count against a legislator in his or her CALPIRG score.

"NV" stands for not voting. These missed votes do count against a legislator.

*** Tom Harman was elected to the Senate in the middle of the 2006 session. He is scored only on those bills on which he had an opportunity to vote.
